CE(Dwarka) explained that Hon'ble NGT has passed an interim order and directed to rejuvenate the water body on urgent basis with a timeline. Accordingly, IIT Delhi, was appointed as a consultant for comprehensive rejuvenation, and recommended the installation of STP of 2000 KLD capacity, strengthening of embankment, beautification of Talab and other related items.

CE (Dwarka) also raised the issue regarding demarcation of Takiya Talab, which had also been flagged by the Hon'ble NGT. VC, DDA directed that a joint site inspection be conducted by representatives of the Engineering Wing, Land Management Wing, DDA, and the Revenue Department, GNCTD. Any discrepancy or error in the revenue records observed during the joint inspection shall be duly examined and clarified/rectified by the concerned authority.

VC, DDA also enquired whether the work had been technically scrutinized. EM, DDA informed that the proposal had been technically examined at various levels and was finally scrutinized in the office of EM, DDA before being forwarded to the Finance

Fire NOC approval as the commissioning of the swimming pool and other allied facilities will only result in presenting this golf course as India's best Golf Course and further increase the revenue prospects.

VC/DDA also enquired about the status of F&B services. CE(Sports) replied that the requisite drawing which was sent by the contractor, was checked and approved by Engineering wing last week. VC/DDA showed strong displeasure regarding the delay in tendering of Kitchen work to be done by DDA. This delay has caused further delay in the obtaining Fire NOC and initiation of F&B services. VC/DDA directed CE(Sports) to expedite the work.

After due discussions and deliberations, the Committee approved the estimate from administrative point of view as per details given below:
