CIRCULAR

Sub: Preventive measures to be taken by all employees of DDA for containment of COVID-19 – Donation of Convalescent Plasma – reg.

This has a reference to this office's Circular of even No. 83 dated 03.05.2021 vide which all the HODs were requested to maintain a database of such employees who have fully recovered from COVID-19 and are fit to donate blood plasma and furnish such data to the COVID-19 Help Centre on weekly basis.

In this regard, all the HODs are further requested to make a fervent appeal to all such officers/officials under their control who have recovered from COVID-19 to donate blood plasma in the nearby health facilities designated for this purpose. This contribution of DDA employees for the society would go a long way in ensuring timely treatment of the patients in critical condition.

This issues with the approval of the Competent Authority.
