Subject- Engagement of Consultants for preparation of development plan and area layout plans for development of Narela Sub-City.

Sir/ Madam,

This is regarding opening of financial bids with reference to above cited subject. The bids which were to be opened on 27.11.2019 at 3:00 PM could not be opened due to query raised by the consultants for criteria for award of work by considering technical and financial weightage. It was informed that there was no such criteria mentioned in the RFP. The consultants desired that the bids should not be opened until a clarification on this issue is provided. Accordingly, the bids were not opened.

As per RFP, there was no criteria mentioned regarding selection of consultant which mentions weightage to both technical and financial aspect. Therefore, the lowest bidder will be considered for award of work.

The revised schedule for submission of financial bid is as follows:
